BOARDMANS

BOARDMANS ARE THE UK'S LEADING FASHION ACCESSORIES SUPPLIER FOR HATS, SCARVES AND GLOVES.

At Boardmans, our mission is to create the perfect accessories to complete every outfit. We pride ourselves on using intelligent, trend-led design to create a collection of modern, stylish pieces for every season.

Our new Spring/Summer collection for 2020 showcases a range of styles for both men and women. Straw hats are still key for the summer season, we have kept them on-trend by incorporating those small details that make a big difference. Bold colours, stripes, animal print and decorative scarves are just some of the key features that give the wow factor to this new collection.

The growing popularity of flat caps and baker boy styles sees them feature heavily in our men's collection for the spring/summer season, as well as those classic summer favourites trilbies and fedoras. The addition of decorative bands on neutral base colours gives a modern update to these classic summer styles.

At Boardmans, design is at the heart of everything we do. We know that our customers demand intelligent design and quality at their price point. That's why we focus on market research and trend prediction, so that we can create an inspired, fashion-forward collection that our clients and their customers are guaranteed to love.
