BOARDMANS

BOARDMANS ARE THE UK'S LEADING FASHION ACCESSORIES SUPPLIER FOR HATS, SCARVES AND GLOVES.

At Boardmans, our mission is to create the perfect accessories to complete every outfit.

Our latest collection for Autumn/Winter 2020 features a range of on-trend styles for both men and women.

Plus, brand new for this season we are showcasing our Premium and Recycled ranges.

Our Ladies range includes some classics for Autumn/Winter, featuring warm tones such as rust and ochre as well as bold, bright patterns and classic shapes from beanies to bucket hats. Our Premium collection is a stunning high fashion range, featuring herringbone check and fairisle patterns, with shades of rosy pink against cool grey for a totally on trend look.

The Mens collection is cool and sophisticated, with pieces featuring pops of bold mustard and blue against a classic steely grey background. The flat cap trend continues to grow in popularity and we've got a wide range in herringbone and check, as well as classic felt trilbies. Our Mens premium range showcases Harris Tweed baker boy styles as well as our high quality leather gloves in a range of styles; both key pieces for the A/W season.

Finally we are proud to introduce our Recycled range for 2020. With a shift in focus to improving sustainability, these simple yet classic designs are made from a high quality recycled material. The superfluffy scarves are sure to be a new favourite and the range of colours available means there is something for everyone in this new collection.
