BOARDMANS

BOARDMANS ARE THE UK'S LEADING FASHION ACCESSORIES SUPPLIER FOR HATS, SCARVES AND GLOVES.

For nearly 100 years, our goal at Boardmans has been to provide the perfect accessories to complement any outfit. Our Spring/Summer 2023 collection brings together easy to wear commercial styles with newness from the latest key trends.

Our ladies' collection features timeless, classic designs updated with new trims and colour highlights from our SS23 trends. Our ladies' bucket and bakerboy styles have been updated in the latest key fabrics such as towelling and retro floral patterns along with core solid colour updates. Our straw hat collection ranges from commercial yet impactful colours, ranging from natural and mono through to fun bright colour pop stripes; bringing newness for all occasions.

Our men's collection brings together classic looks with key trend elements. Newness is brought into the range through new textures and checks fabrics across in flat caps and bakerboys. Bucket hats have been updated with retro tropical prints and on-trend bandana prints. Classic straws feature elements from our SS23 trends such as paired back tropical print trims, and colour pops through stripe trim bands.

Our Elegance collection features a range of beautifully sculpted fascinators, hats, headbands, and clips which are the perfect finishing touch for any occasion. For this collection we have focused on intricate yet effortless designs, paying special attention to on-trend trims and ornamental shapes.
