BOARDMANS

OARDSMANS ARE THE UK'S LEADING FASHION ACCESSORIES SUPPLIER FOR HATS, SCARVES AND GLOVES.

Our Summer 2024 collection seamlessly blends wearable commercial styles with the latest key trends.

Explore our women's collection, featuring timeless, classic designs infused with fresh trims and colour highlights from our Summer 24 trends.

Our range of bucket and baker boy styles have been refreshed using the latest essential fabrics, including textures inspired by tweed, variations of linen-style fabrics, and delicate floral motifs, accompanied by core solid colour enhancements.

Our 2024 straw hats and visors feature a range of impactful colours. From natural shades to vibrant tones, we incorporate details like ombre, colour blocking, and stylish hat bands to bring fresh energy to every occasion.

Our men's collection harmonises timeless aesthetics with essential trend elements.

A sense of freshness infuses the range with new textures and checked fabrics in flat caps and baker boy styles. Bucket hats have received a modern edge with jungle-inspired hues and prints, enhanced by practical utility elements such as toggles and pockets, designed to cater to the stylish yet practical man.

Effortlessly merging elements from our Summer 24 trends, our timeless men's straw designs beautifully interlace understated yet refined tropical print trims, lively colour-stripped bands, and intricate braided leather accents.
