AUTUMN/WINTER 2025

THE COLLECTION

AW25 offers the perfect mix of bold trends and timeless favourites.

For ladies, the collection highlights bold prints and luxe textures, like leopard and cow prints, faux pearls, and velvet ribbons. Accessories, from bucket hats to winter bags, combine style with practicality, while capes and wraps offer effortless layering. Featuring cosy knits, festive details, and eco-friendly fabrics like recycled polyester and wool blends, the range comes in a rich palette of neutrals, chocolate, burgundy, plum, fuchsia, and monochrome.

For men, classic styles like Rochelle scarves, checks, and flat caps are updated with felt baker boys, trapper hats, and outdoor gloves. Premium Harris Tweed and leather pieces complete the look in a refined mix of green, navy, grey, brown, and khaki.

AW25 is a blend of must-have trends and enduring essentials—designed to sell.
