

## BOARDMANS

SPRING/SUMMER 2026

# THE COLLECTION

Our SS26 collection blends fresh seasonal trends with easy-to-wear styles across women's and men's accessories.

In the women's range, we've embraced oversized shapes, relaxed textures and playful trims. Look out for statement straw hats, oversized buckets and chin ties updated in new, tactile materials. Warm earthy tones sit alongside clay reds and pops of ocean blue, while leopard prints and abstract motifs bring a bold, trend-led edge. Finishing touches like beaded trims, faux shells and pearls add a handcrafted feel.

The men's collection gives classic summer staples a fresh update. Timeless shapes are reworked in new straw weaves and grounded, natural tones. Utility-inspired details feature on bucket hats, and our signature straw hats and baseball caps return in new fabrics and finishes.
