

A collection of five hats and a visor are displayed on a white marble surface. In the top left, a black hat with white floral embroidery and a black ribbon. To its right is a brown and white crocheted hat. In the center is a light-colored straw hat with a black band. To the right of that is a hat with a colorful paisley pattern. In the bottom center is a brown woven visor. A glass vase with a green palm frond is in the top left corner. The background is a white marble slab with some burlap fabric visible at the edges.

SPRING/SUMMER 2027

THE COLLECTION

Our SS27 collection celebrates natural textures, elevated detailing and a fresh seasonal colour palette.

For women, effortless summer silhouettes are reimagined in biscuit neutrals, sandy straw tones and rich chocolate browns, accented with vibrant pops of navy, forest green, pink and purple. New visors, bucket hats, utility-inspired styles and cowboy shapes are finished with intricate straw embroidery, statement prints and handcrafted-inspired shell, bead and gold-tone trims.

In the men's collection, classic summer favourites return with modern updates, featuring refined straw weaves, utility-driven styling and versatile new fabrications. Grounded in earthy neutrals, olive greens and deep navy tones, the range combines timeless appeal with contemporary detailing for effortless everyday wear.
